

CoilZone Ending Internet Explorer Support – June 15th, 2022

Internet Explorer (IE) 11 is the last major version of Internet Explorer. Starting **June 15th, 2022**, the Internet Explorer desktop application will no longer be supported on Windows 10 per this [announcement from Microsoft](#).

In accordance with Microsoft's announcement and in keeping with the best security standards and practices, **as of June 15, 2022, CoilZone will no longer support the Internet Explorer web browser**. From that date forward, any attempt to access the site with Internet Explorer will be redirected to a warning page and you will not be able to access CoilZone. This page will provide instructions for our customers to move to a modern web browser, such as Microsoft Edge, Mozilla Firefox, or Google Chrome.

If there are questions or concerns regarding this restriction at a technical level, we would advise you to contact your internal IT representative for assistance.
